## Gramm-Leach-Bliley Background Clearance Compliant 2012/2013

Whereas the State of California requires California Notaries Public to satisfactorily pass an individual background clearance investigation prior to the initial granting of a Notary Commission and whereas such investigation has been satisfactorily conducted by the Department of Justice, State of California, in accordance with California State Notary Legislation, and the Federal Bureau of Investigation, be it herewith known that evidence of a valid California Notary Commission in attached to this statement demonstrates with complete satisfaction that the holder of the notary commission in the State of California has passed all background checks and the commission authorizes the undersigned Commissioned Notary to perform the duties and services as a notary public without limitation. A copy of this statement of background compliance may be used for whatever purpose is required and may be placed on file along with a copy of the Commission and any other documentation deemed necessary.
